

**Announcement of the Election Committee for the Selection of Members
of the Dean Selection Committee International College of Digital Innovation
Postponement of the Selection of the Dean of the International College of Digital Innovation**

WHEREAS, the Election Committee for the Selection of Members of the Dean Selection Committee of the International College of Digital Innovation opened the application period for individuals to stand for election as members of the Dean Selection Committee representing both the full-time academic staff and the non-academic staff of the College from Friday, 21st November 2025 at 08:30 a.m. until Friday, 28th November 2025 at 4:00 p.m.

As the University is currently in the process of reviewing the organizational structure of its academic units and internal academic units, and in order to prevent any potential impact on individuals to be considered for appointment as Dean of the International College of Digital Innovation, the University has instructed that the selection process for the Dean of the International College of Digital Innovation be postponed until the restructuring of the College is completed.

This announcement is hereby issued.

This announcement was issued on December 4th, 2025.
